IT - Polaris è uno speciale effetto decorativo per pareti interne che ricrea giochi di chiaro scuro.

Applicare con un rullo a pelo raso una mano di Deco Primer fine nel colore di cartella scelto. Attendere la completa essiccazione, circa 6-8 ore. Applicare Polaris nel colore desiderato, con pennello spalter incrociando i movimenti a tratti alternati, o seguendo il verso desiderato. Ripassare delicatamente sulla superficie con frattone in PVC in modo da aumentare l'effetto chiaro scuro. Prima di utilizzare il prodotto leggere attentamente la scheda tecnica.

EN - Polaris is a special decorative effect for inside walls which recreates the play of light and shade.

Using a stain roller apply a thin coat of Deco Primer in the chosen colour and wait for it to dry completely (around 6 -8 hours). Apply Polaris in the desired colour using a spalter brush with alternating crossover brush-strokes or in the direction desired. Go back over the surface with a light reworking using a PVC trowel to enhance the chiaroscuro effect. Before using the product read the technical specifications carefully.

FR - Polaris est un effet décoratif spécial pour les murs d'intérieur qui reproduit des jeux de clair-obscur.

Appliquer une fine couche de Primer Deco avec un rouleau à poils courts dans la couleur choisie. Attendre le séchage complet, environ 6-8 heures. Appliquer Polaris dans la couleur souhaitée, à l'aide d'un pinceau Spalter, en croisant les traits alternés ou en suivant la direction souhaitée. Repasser doucement sur la surface avec une spatule en PVC pour augmenter l'effet clair-obscur. Lire attentivement la fiche technique avant d'utiliser le produit.

ES - Polaris es un especial efecto decorativo para paredes interiores que reproduce juegos de claroscuro.

Aplicar con un rodillo de pelo corto una mano de Deco Primer de grano fino del color elegido en la carta de colores. Esperar hasta que se seque completamente, unas 6-8 horas. Aplicar Polaris del color elegido, usando una brocha Spalter con movimientos cruzados a trazos alternos o en la dirección que se desee. Repasar delicadamente la superficie con una llana de PVC para aumentar el efecto claroscuro. Antes de utilizar el producto leer atentamente la ficha técnica.

RU - Polaris - это особое декоративное покрытие для внутренних стен, создающее игру светлого и темного цвета.

Нанесите валиком с коротким ворсом слой грунтовки Deco Primer, выбрав из папки нужный цвет. Дождитесь полного высыхания 6-8 часов. Нанесите Polaris нужного цвета, используя флейцевую кисть то вдоль, то поперек или в одном направлении. Аккуратно пройдитесь по поверхности мастерком из ПВХ для усиления светлого и темного эффекта. Перед использованием продукта внимательно прочитайте технический паспорт.

ZH - Polaris 是一种用于室内墙壁的特殊装饰材料，打造明暗光线效果。

使用平滑的滚筒涂刷所选颜色的细腻DECO PRIMER涂料打底。等待约6-8小时完全干燥。将所选颜色的 Polaris 涂料，使用木漆纹刷子以交叉的方式或自己喜欢的图案涂刷。用PVC抹子轻轻擦过表面，以增加明暗效果。使用本产品前请仔细阅读产品说明。
