VELLUTO

Armonie di delicati riflessi metallici si alternano con un continuo gioco di luci ed ombre che richiamano i tipici riflessi del velluto. Questa speciale collezione rende unico ed elegante qualsiasi ambiente.

Delicate metallic hints alternate harmoniously in a continuous play of light and shade so typical of velvet. This collection will enhance any environment making it uniquely elegant.

Des harmonies de reflets métalliques délicats alternent avec un jeu continu de lumières et d'ombres rappelant les reflets typiques du velours. Cette collection spéciale rend chaque ambiance unique et élégante.

IT - Velluto è uno speciale effetto decorativo per pareti interne che ricrea i riflessi del velluto e delicato al tatto.

Applicare con un rullo a pelo raso una mano di Deco Primer nel colore di cartella scelto. Attendere la completa essiccazione, circa 6-8 ore. Applicare una mano con spatola in plastica e lasciare asciugare per almeno 6-8 ore. Applicare una seconda mano della finitura incrociando le spatolate nelle varie direzioni. Prima di utilizzare il prodotto leggere attentamente la scheda tecnica.

EN - Velluto is a special decorative effect for internal walls that simulate velvet and which has a characteristically delicate feel.

Apply one coat of Deco Primer in the desired colour with a short pile roller. When the surface is completely dry (6-8 hours), apply Velluto in the desired colour card using a plastic spatula in an alternate crossover pattern. After 6-8 hours apply a second coat of Velluto. Consult the technical specifications before use.

FR - Velluto est un effet décoratif spécial pour les murs d'intérieur recréant les reflets du velours et un aspect délicat au toucher.

Attendre environ 6 à 8 heures pour que ce soit complètement sec. Appliquer une couche avec une spatule en plastique et laisser sécher pendant au moins 6 à 8 heures. Appliquer une deuxième couche de finition en croisant les spatules dans les différentes directions. Lire attentivement la fiche technique avant l'application du produit.

ES - Velluto es un especial efecto decorativo para paredes interiores que reproduce los reflejos del terciopelo, muy suave al tacto.

Aplicar con un rodillo de pelo corto una mano de Deco Primer del color elegido en la carta de colores. Esperar hasta que se seque completamente, unas 6-8 horas. Aplicar una mano con una espátula de plástico o acero inoxidable y dejar secar mínimo 6-8 horas. Aplicar una segunda mano de acabado con movimientos cruzados de las espátulas en todas las direcciones. Antes de utilizar el producto leer atentamente la ficha técnica.

RU - Velluto - это особое покрытие с декоративным эффектом для внутренних стен, воссоздающее переливы бархата, необычно тонкое на ощупь.

Нанесите валиком с коротким ворсом слой Deco Primer выбранного из палки цвета. Подождите до полного высыхания около 6-8 часов. Нанесите один слой шпателем из пластмассы или нержавеющей стали и дайте высохнуть в течение 6-8 часов. Нанесите шпателем второй слой покрытия, меняя направления то вдоль, то поперек. Внимательно прочитайте технический паспорт перед использованием продукта.

ZH - Velluto是一种用于室内墙壁的特殊装饰材料，打造柔滑细腻的天鹅绒效果。

使用平滑的滚筒均匀平滑地涂刷DECO PRIMER涂料打底。约6-8小时完全干燥。使用Velluto系列颜色涂料，使用塑料或不锈钢刮刀涂刷一层，然后干燥6-8小时。然后采用交叉刷法用刮刀涂上第二层。使用本产品前请仔细阅读产品说明。
